

Notice

CONSTRUCTION WILL BE STARTING SOON FOR THE UNDERGROUNDING OF OVERHEAD UTILITY LINES IN YOUR NEIGHBORHOOD

SOUTHERN CONTRACTING will be doing electrical panel work on your property as part of the project that will be bringing clearer views to your community. Southern Contracting will **NOT** be trenching on your property. You will be noticed again prior to any trenching work.

On approximately _____
Southern Contracting will begin working on your property. Should you have any questions, you can contact the contractor directly by calling:

JOE TETI • 760-744-0760

Should you have additional questions or concerns throughout this process, you can contact the City of San Diego Utilities Undergrounding Program.

You can also sign up for e-mail updates by calling the information line or visiting the web site.

**619-533-3841 or visit
www.sandiego.gov/undergrounding**

Printed on 100% Post-Consumer Recycled Paper
